 - Skaters and instructors are required to wear face coverings at all times in the facility including while on the ice.
 - Skaters will not be permitted to lower their face covering during the class or practice session.
- 2. Skaters will be required to sign in at the front lobby table upon arriving at the rink each week. This is to help with Contact Tracing if needed.**

- 7. Skaters must leave the building immediately after the completion of their session. We ask that you are out of the facility no more than 5 minutes after your session so that staff can properly sanitize the facility for the incoming group.**
